PROGRAM DESCRIPTION

English as a Second Language Certificate Program (Full Time)

The English as a Second Language (ESL) Certificate Program is for students who need to improve their English skills for general communication or academic study. All new students will take a placement test and must be able to demonstrate a minimum level of ability in English to be accepted into Level 1 of the ESL Program.

The program is 14 weeks in length and runs Monday to Friday (9:00 am-1:00 pm) for 20 hours a week. There are 5 levels in the program, with skill development in the following areas: reading/writing and speaking/listening skills. Each level requires one term for completion.

The ESL program has the following equivalency to the Canadian Learning Benchmarks:

Red Deer College Level 1 ESL= Canadian Learning Benchmarks Level 4/5

Red Deer College Level 2 ESL= Canadian Learning Benchmarks Level 5

Red Deer College Level 3 ESL= Canadian Learning Benchmarks Level 6

Red Deer College Level 4 ESL= Canadian Learning Benchmarks Level 7

Red Deer College Level 5 ESL= Canadian Learning Benchmarks Level 8

Level descriptions are available on the website www.rdc.ab.ca.

After completion of each of the preliminary levels, students receive a Certificate of Attendance. Once Level 5 is completed, students receive a Certificate of Completion. Students applying for University Transfer Programs may require additional English Language Instruction through the College Prep Program.

TUITION:

International Students:

Initial application must be accompanied by \$100.00 non-refundable registration fee. The balance of \$3,095.00 tuition plus a \$20.00 activity fee is due 3 weeks before term commencement. The fee per subsequent term is \$3,195.00 plus a \$20.00 activity fee.

Canadian Citizens and Permanent Resident Students:

Tuition per term is \$2,695 plus \$20.00 activity fee.

There are 2 Part Time English Language Programs that run together with the Full Time ESL Certificate Program.

The first is **English for Communication** which caters to intermediate to advanced ESL students living and working in Red Deer. Various tools are used to gauge and improve speaking and listening skills as well as presentation skills. Students must be at Canadian Language Benchmark Level 5 to take this course.

English for Academic Purposes focuses on “academic language, skills and study strategies” in order to gear students to succeed in college programs. The program runs for one month and involves 3 hours of class time per day plus at least 2 hours of homework outside of class.

PROGRAM DESCRIPTION

Resettlement Assistance Program (RAP)

This program runs for 6 weeks and services are available to government sponsored refugees only. It is funded by the Federal Government. Upon arrival at the Calgary International Airport, government sponsored refugees are met by staff from the Calgary Catholic Immigration Society. They assist the newcomers with initial paperwork and do their travel arrangements from Calgary to Red Deer. They inform the Immigration and Settlement Services, Catholic Social Services in Red Deer of their arrival in Calgary and the time the newcomers would be expected to be in Red Deer.

Staff from the Catholic Social Services would meet up with the newcomers at the time of arrival here in Red Deer. They book hotel reservations, do grocery shopping with them, assist them with documentation (language interpretation and translation, filling out government forms-Alberta Health Care, Social Insurance Number Application form, and the like) and provide all the immediate assistance needed. The RAP program also helps them in finding permanent housing, order furniture, and other services that would aid newcomers in attaining stability in our community.

This program runs at no cost to the client. After 6 weeks, newcomers can continue availing services through the Immigrant Settlement Program.

Immigrant Settlement Program (ISP)

The Immigrant Settlement Program caters to all newcomers and has the same services as the RAP program. This program varies in length depending on the needs of the clients. It offers orientation sessions and actual physical assistance on different areas like the banking system, filing income tax returns, the Canadian educational system, preparing travel documents (application for passports, Permanent Resident Cards), applying for Canadian Citizenship and a variety of other topics and services needed in their day to day lives.

It also does referral to other agencies that can cater to the newcomer's specific needs. Since the employment service component of this program ceased in September 2007, newcomers that need assistance with regards to employment (from resume writing to job search to assistance on the job and monitoring) are referred to the Career Assistance Network.

This program runs at no charge to clients as well. Government sponsored refugees who have availed the RAP program (after 6 weeks) can continue on under this program and are funded by the Provincial Government for up to 5 years.

PROGRAM DESCRIPTION

Public Awareness Presentations

The scope of public awareness presentations includes all issues limited to diversity such as racism, bullying, sexual orientation and diversity in the workplace. Presentations are tailored according to the expressed needs of the group asking for a presentation. For example, an elementary school may want to focus on bullying or employers may want to focus on workplace diversity. Creative and experiential methods are used to make all workshops and presentations informative and fun.

Reach Out for Diversity Project

Incorporates experiential learning about acceptance and inclusion into sessions with the “Boom Whackers”,(musical plastic tubes of varying size, colors and “voices”/notes). Work is also done with the local PDD (Persons with Developmental Disabilities) group using transformational theatre.

Celebrate Diversity & Eliminate Discrimination-School and Community Grants

Funds up to \$500.00 are distributed to support interactive diversity projects in the community and schools to mark March 21st, The International Day for the Elimination of Racial Discrimination.

CADA Workshops

Workshops are offered to the Central Alberta community on such topics as aboriginal culture and communication processes, racism, anti-racist discrimination response, human rights education and diversity in the workplace.

Racial Harmony Contest

Scripts with positive messages against racism and discrimination are accepted each year with the deadline for scripts in January. Five winners are announced and the scripts are then produced by CHCA News. CADA has a community judging night where the grand prize winner is selected. The public service announcements are then shown year round on CHCA News and Shaw Cable reaching over 2.2 million viewers.

For more information about CADA, contest rules and grant applications, visit the CADA website.

Celebrate Diversity

CADA hosts an annual event in March to celebrate the International Day of Anti-Racism and Anti-Discrimination. Performers from the community volunteer to participate in the afternoon event and ethnic food is sold.

Black & White “Celebrating Us” Exhibit

A black and white photographic exhibit was created by local professional and talented amateur photographers based on photos taken of “diverse” Central Albertans. The exhibit was featured at the Red Deer & District Museum and appeared at the Red Deer Westerner Days. The beautiful photographs are now housed throughout Central Alberta in schools, libraries and public venues. Samples of the Black & White Diversity Photographs can be viewed on the website.

Embracing Diversity in the Workplace/ Diversity Audit Tool

This is a two day process focused on bringing systems changes within workplaces to create an environment of greater inclusion which embraces diversity in all its forms.

This includes:

a manager's briefing to talk about the state of diversity and the business benefit of engaging in this process,
a meeting with or helping to create a cross-functional diversity committee made up of diversity champions from many levels of the organization,
a diversity climate assessment and process methods are co-created by the diversity committee before employees are invited to participate in,
a one or two day workshop which features drumming circles and dialogue circles to gather information about how to bring about the vision of an inclusive workplace.

This process has been piloted with employees at the Red Deer City Hall and the feedback has been "phenomenal".

CADA also provides workshops for facilitators wishing to learn how to facilitate this process.

Eligibility: Any group, agency or business requiring more information about diversity. There will be a fee for this service. Please inquire for more information.

PROGRAM DESCRIPTION

SKILLS DEVELOPMENT PROGRAMS:

Computer Classes for Immigrant Women

Computer classes intended for immigrant women are offered a few times a week at CAIWA's computer lab. Courses offered include introduction to keyboarding, internet and email usage, word processing and Excel programs. New immigrants often lack proper command of the English language and feel intimidated in classes open to the general population. Therefore, CAIWA provides friendly classroom atmosphere designed to minimize language barriers. The ultimate objective of this program is to help immigrant women learn new skills and improve their employment opportunities.

CAIWA Catering

A multi-ethnic food catering program involving education and hiring of immigrant women to run the different aspects of a micro-enterprise, such as marketing, purchasing of ingredients, cooking, delivery of prepared foods, etc. CAIWA has been operating this multi-ethnic catering program since 2003. It was

established to provide a sustainable parallel work opportunity for immigrant women in the Red Deer area. It is also intended to provide immigrant women with a basic knowledge of the requirements of the food industry in Canada. The objective of the program is to support employment in the food industry and community participation for populations with multiple barriers, through the development of a sustainable business that can accommodate their special requirements.

Food for Thought Collective Kitchen Program

In this program immigrant women meet twice a month to learn how to purchase and prepare low cost nutritious meals for their families, meet new friends and practice their English skills with Canadian volunteers. The program is designed to break the sense of isolation experienced by many new immigrants. This venue is also where potential candidates for the Catering Program are identified and recruited.

HEALTH AWARENESS AND WELLNESS PROGRAMS:

Cervical Cancer Screening Promotion Program

This program is designed to promote cervical cancer screening to immigrant and refugee women living in Red Deer and surrounding area, and direct them to existing health facilities. It is structured to overcome cultural and language barriers unique to newly immigrated women in Central Alberta and includes workshops, education & outreach, information dissemination, booking and transportation to existing facilities and translation with medical staff during appointments.

Breast Cancer Screening Program

This program is designed to promote breast cancer screening to immigrant and refugee women living in Red Deer & surrounding area and direct them to existing health facilities. It is structured to overcome cultural and language barriers unique to newly immigrated women in Central Alberta and includes workshops, education and outreach, information dissemination, booking and transportation to existing facilities and translation with medical staff during appointments.

HIV Prevention Programs for Immigrant Communities in Red Deer:

The objective of this program is to prepare, present and disseminate targeted HIV prevention materials and tools to immigrant and refugee communities in Red Deer.

COMMUNITY OUTREACH PROGRAMS

Prevention of Family Violence and Bullying

The programs objective is to raise the awareness of family violence and bullying to recent immigrants and refugees living in Red Deer & area, and educate them on Canadian laws and cultural norms.

Cross Cultural Parenting

The cross-cultural parenting program is designed to assist immigrant parents develop and maintain positive parenting skills in a new culture and country.

Outreach Program

The association's staff reaches out to immigrant women facing challenges and barriers in integrating into Canadian society. The goal is to help them find solutions or strategies in eliminating these barriers through referrals to government agencies, community agencies and/ or the private sector.

The Red Deer Cultural Heritage Society was formed in 1968. It was first known as the Red Deer International Folk Festival Society and was formed specifically to produce an ethnic celebration on Canada Day, July 1st, for the people of Red Deer and area.

The Cronquest House and Festival Hall foster diversity and cultural understanding in the community through the member groups of the Red Deer Cultural Heritage Society. This is promoted through events such as Canada Day festivities, cultural dances and performances throughout the year by the ethnic groups in Red Deer and by cultural exchanges and afternoon teas.

The Cronquest House is also used as a retreat and meeting place, open to the public on special occasions and in the summer for afternoon teas and socials.

Festival Hall is available to various cultural groups for activities. These activities are often to promote cultural awareness that offer ethnic fare (food/dance/entertainment). It is also available for rent to the public for special events such as weddings, family reunions, concerts and the like.

For rental inquiries and other information for either the Cronquest House or Festival Hall please call or email the contact information listed above.

RED DEER CATHOLIC SCHOOLS DIVISION

Who are the ESL Students?

“English as a Second Language (ESL) students come from a range of cultural backgrounds and bring with them a variety of educational, social and personal experiences. ESL students first learned to speak, read and/or write a language other than English and have a level of English language proficiency that precludes them from full participation in the learning experiences provided in Alberta schools. ESL students may have recently immigrated to Canada or they may have been born in Canada and live in homes in which the primary spoken language is not English.”

They are identified as:

Canadian born ESL Students-First Nations, Metis, Inuit, Francophones, Hutterites, Mennonites and Canadian-born children of immigrants.

Foreign born ESL Students-recently arrived immigrants, refugees, and fee paying and funded international visa students.

“The English as a Second Language program is for students who are new to the English Language. These students receive pullout support through the ESL program.”

Referral Process

“Initial identification is done by the principal (and/or counseling department)* based on information from parents, immigration papers or foreign birth certificates. Students found to be below grade level on reading and oral language testing are coded and scheduled for ESL support. In some cases, a translator from the Catholic Social Services or the Central Alberta Refugee Effort assists with communication between the family and the school”

The English as a Second Language is a course that lasts for a term. Students may enlist in voluntarily or may be recommended by other teachers and/or as assessed by the counseling department. The course focuses on reading and writing and will be based on three levels of courses in basic ESL.

RED DEER PUBLIC SCHOOLS DIVISION

There are 4 schools under the Red Deer Public Schools Division that offer English as a Second Language to its students. For the elementary and middle school levels, the pull out system is done wherein students that need extra support in enhancing their English skills are put in a classroom environment with guidance from a teacher. For the high school level, the English as a Second Language is a full term "option" course. Eligibility and assessment of student's English skills are done by the Counseling Department.

There are no fees for this service at Fairview Elementary, Central Middle School and Hunting Hills High School. There is a \$12.00 Program Fee for this course at the Lindsay Thurber Composite High School.
